PRESS RELEASE

Volkan Durukan joins Virtus Resources Partners ("Virtus Resources") as Head of Business Development Southern Europe.

Virtus Resources is pleased to announce that Volkan Durukan joins as Head of Business Development Southern Europe. He will also be part of the Executive Management Board of the Group.

In his role he will be responsible for developing the origination, structuring and marketing business in Southern Europe and focus on commercial opportunities with consumers, producers, and marketers of natural gas and other energy products in the region.

Volkan Durukan has a long-standing experience in managing energy trading activities, trading teams and risk management activities. He previously worked in senior energy trading roles at Socar and Tupras.

“We are excited that Volkan is joining our fast-growing Group. Volkan is well-known in the energy trading industry and will be essential in leading the strategic direction of our platform in Southern Europe and coordinate the regional origination activities with existing and new customers.” said Mario Busic, Founder & CEO at Virtus Resources.

About Virtus Resources Partners:

Virtus Resources Partners is a Swiss-based independent energy trading group with a strong focus on the energy transition and AI. We trade natural gas, LNG, electricity, sustainable energy products, carbon certificates and other commodities. We provide services related to market access, financing, risk management, hedging, logistics and environmental product solutions. We leverage on the power of AI and advanced technology to provide tailor-made services to our clients and support them on their journey to carbon neutrality.
