PRESS RELEASE

Virtus Resources Partners AG ("Virtus Resources") establishes subsidiary in Turkey.

Virtus Resources is pleased to announce that it has established its Turkish subsidiary VRP Enerji Ticaret A.S. in Istanbul.

Turkey is a strategic market for energy that is currently going through an accelerated transition, it is a large consumer market for natural gas and a key entry point for European imports.

“Our Group is rapidly expanding its presence in key markets to support our growing activities and our team based in Istanbul will play an important role to serve our existing network” said Volkan Durukan, Head of Business Development Southern Europe at Virtus Resources.

About Virtus Resources Partners:

Virtus Resources Partners is a Swiss-based independent energy trading group with a strong focus on the energy transition and AI. We trade natural gas, LNG, electricity, sustainable energy products, carbon certificates and other commodities. We provide services related to market access, financing, risk management, hedging, logistics and environmental product solutions. We leverage on the power of AI and advanced technology to provide tailor-made services to our clients and support them on their journey to carbon neutrality.
